satsuma

I N S P I R E D B U S I N E S S S O L U T I O N S

Satsuma is an IT solutions company specialising in business intelligence, systems integration and web and application development. Satsuma bridges the gap between IT and the people who use it, tailoring solutions to make sure we deliver the information companies need, intuitively, simply and quickly.

Since our formation in 1999, Satsuma has earned a strong reputation for delivering inspired business solutions that add measurable value to our clients' businesses. Now with an Australian interstate presence and an even bigger team and capability, Satsuma is one of the most established and dependable suppliers in the industry.

Speed, versatility and impartiality

The expert team at Satsuma uses agile programming methodology to deliver tailor-made technology solutions, which answer our clients' needs to a 't'. We are also 100% vendor-independent, which means we can always be relied on for a no-nonsense approach and honest, impartial advice. This has earned Satsuma a reputation for delivering quality, future-proof business solutions that provide a strong foundation for our clients' growth.

A trusted business partner

Many of Satsuma's clients have been with us for years, and include some of the world's best-known brands, including Diageo, Toyota Motor Corporation, Aon Australia, Westpac and UGL Limited (formerly United Group Limited) to name but a few.
